LIBRARIANS TO AID **BOYS WORK RESERVE**

Employes in All Parts of State Asked to Serve As Propagandista and Registration Clerks.

A state program of co-operation in the work of the Hoys' Working Reserve has been outlined and sent to all libraries of the state, ascording to Howard Meyer state director Tibrarians are requested to

familiarise themselves with the put-pose, organization and work of the reserve and endeavor to interest to the movement all boys in their re-spective communities between 1, and

Li years of age.
Us asked that the librations so operate with individuals and orman mations in city, fown and country that are interested in the reserve. In addition the librarian or assis librarians are called upon to table librarians are called upon affer their services as enrolling or floers to coroll at the library all boys of reserve age not in school boys of reserve all boys attending school to the school enrolling off.

FIVE TRANSPORTS DUE TO DOCK AT HOBOKEN TODAY

NEW YORK, March 5 Pive transports with 2,900 officers and men of the American army were scheduled to reach this port today. The French line steamer (Thiongo was the first to arrive, bringing back 1,046 members of the A. E. F. and about 100 other passengers among whom were more averaging to the A. whom were many adventurous Americans who joined the French army before this country entered the war. Other vessels due to dock at the army plers in Hoboken during the day are the Plattsburgh, with 2,325 men; the Cartago with 12 men.

She is bringing the remaining units of the 27th division. The men will be taken to Camp Merritt.

FLY 135.8 MILES PER HOUR IN SPITE OF SNOW STORM

NEW YORK, March 8 — Maj Reu-ben F. Fleet and Capt, Barl F. White flew yesterday in a battle plane equipped with a 400-horse power Liberty motor from Dayton, Ohio, to Mineola, N. Y., through anowatorms and high winds a distance of 664 miles, in four hours and 33 minutes actual flying time, it was announced at the aeronautical exposition here

this morning.

The flight, which was made at the rate of '135.8 miles an hour, started at 8:51 a. m. and ended at 4:10 p. m. with one stop at Newburg. N. Y., for minor repairs. The men were compelled to ascend to a height of 10,000 feet and find their direction by compass because of snow, wind and fog, which caused them to go 100 miles off their course, it was asserted.

IMMIGRATION LAW WILL BE ONE OF FIRST OFFERED

WASHINGTON, March 8.—Speedy enactment of legislation to prohibit immigration into this country for at least four years and to expel from this country enemy or otherwise undesirable allens will be urged upon the next, the 66th, congress by Representative Albert Johnson of Washington as chairman of the new republican controlled house committee on immigration, he announced to-day.

Such legislation was lost in the segment of the seg then chairman of the committee, to

Army Suicides.

WASHINGTON, March 8 - For WASHINGTON, March 8.—For the first time General March revealed the number of suicides during the war in the American armica, both here and abroad. They totaled only 339 up to February 21 last, of which number 193 occurred in the troops in this commery and 146 overseas. General March said that according to be census report for 1914, 1915 and 1916, this number of suicides among the American soldiers was shown to be less than the number of suicides among a similar number of civilians.
